

# Multi – Gas and Vapor Cartridges

Issue Date 6/01/00

## Cartridge Selection Simplified

**3M™ Multi – Gas and Vapor Cartridges combine the protection offered by five different cartridges into one simple-to-use cartridge.**

### Simplicity

3M multi – gas and vapor cartridges help:

- Simplify cartridge selection and respirator training.
- Reduce inventory costs.

3M multi – gas and vapor cartridges are also available with permanently attached P100 filters.

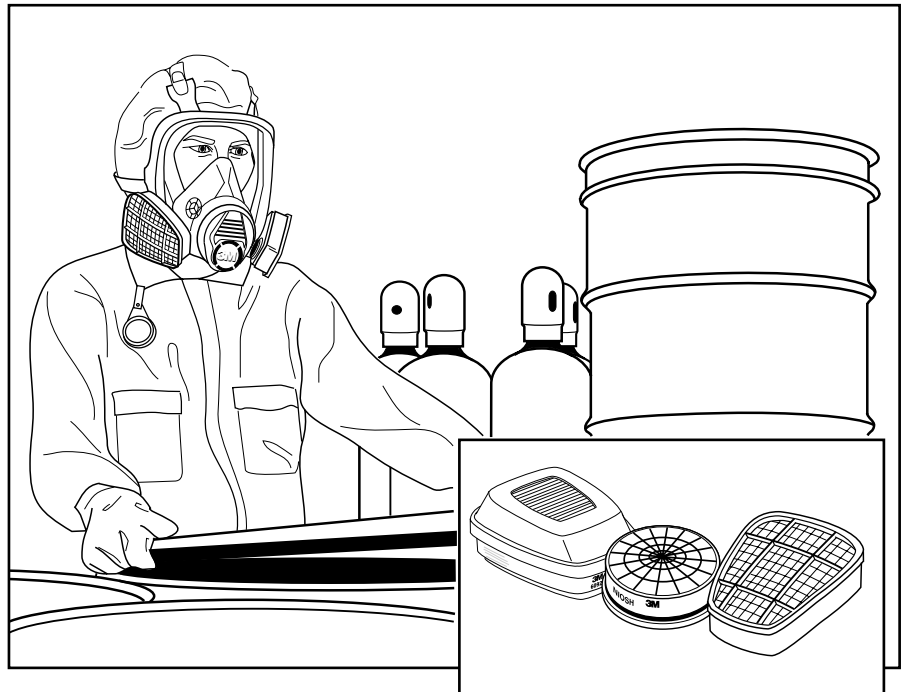

### Versatility

The multi – gas and vapor cartridges can be used with a variety of 3M facepieces:

- 3M™ 5000 Series Maintenance-Free Half Facepiece Respirators.
- 3M™ 6000 and 7000 Series Half Face and Full Facepieces.

### Protection

- 3M multi – gas and vapor cartridges are NIOSH approved for ten types of contaminants.

3M™ Multi – Gas and Vapor Cartridges shown with 3M™ 6000 Series Full Facepiece and 3M™ 3510 Organic Vapor Monitor.

- Cartridges offer protection against a wide range of contaminants found in many different industries, including:
  - Petrochemical and chemical processing
  - Utilities
  - Mining
  - Pulp and paper manufacturing
  - Pharmaceuticals

**⚠ WARNING**

**These cartridges help reduce exposure to certain airborne contaminants. Misuse may result in sickness or death. Before use, the wearer must read and understand *User Instructions* provided as a part of product packaging. Time use limitations may apply. For proper use, see supervisor, packaging or call 3M OH&ESD Technical Service, call 1-800-243-4630. In Canada, call 1-519-452-6137 or 1-800-265-1840, ext. 6137.**

## 3M™ Multi – Gas and Vapor Cartridges (continued)

### Ordering Information

	Part No.	Description	Quantity
	5106	Maintenance-free multi – gas and vapor respirator, small	12/case
	5206	Maintenance-free multi – gas and vapor respirator, medium	12/case
	5306	Maintenance-free multi – gas and vapor respirator, large	12/case
	6006	Multi – gas and vapor cartridge	60/case
	60926	Multi – gas and vapor/P100 cartridge	60/case
	7276	Multi – gas and vapor cartridge	60/case
3M™ Multi – Gas and Vapor Cartridges are approved for use with the 3M™ 5000, 6000 and 7000 Series Facepieces.			

### NIOSH approved

Organic Vapors  
Chlorine  
Hydrogen Chloride
